

OHIO DAIRY GOAT ASSOCIATION ALL BREED DOE AND BUCK SHOW FUTURITY

The Ohio Dairy Goat Assoc. All Breed Doe and Buck Futurity is a class for two-year old registered dairy goat is which the animals are initially entered in the class when they are kids. The show futurity is managed by the Ohio Dairy Goat Assoc. and held annually in conjunction with the Buckeye Classic Show.

To be eligible to show in the class an animal must be nominated each of it years. (kid, yearling, and two-year old) Nomination involves completion of the appropriate entry blank with copy of registration papers and payment of fees by the deadline. A copy of the application for registration is acceptable for kids but a copy of registration papers should be sent by the time yearling fees are due. The first year fee to nominate a kid is \$1.00. The fee for the yearling or second year is \$2.00 The final fee for the third or two-year old is \$2.00. Nominations and first year fees as well as second year fees are due but December 31st of the applicable year. Two-year old fees are due by May 31st of the year they will be shown. The fees paid each year when nominating the animal will be added to those paid by the other entrants for that breed to determine the purse. (the more entries in the breed the higher the purse) The purse in each breed will be divided as follows:

- 1st Place 40%
- 2nd Place 30%
- 3rd Place 20%

10% of all nomination fees will be placed in an expense fund (awards, postage, forms, etc).

Nominated animals will be divided into different classes based upon breed and sex. Breeds eligible for the futurity are the following: Alpines, LaManchas, Nigerian Dwarfs, Nubians, Oberhalsis, Saanens, Sable Saanens, Toggenburgs, Recorded Grades (does only).

All animals must be Ohio bred and born does and bucks. Please notify the Show Futurity Chair of any changes of ownership of nominated animals. Transferred doe/s are only eligible if transferred to a resident of Ohio. However buck/s are still eligible even if transferred to an out of state owner.

In keeping with the goal of identifying superior goats bred in Ohio, it is no longer a requirement that the exhibitor be an ODGA member. It also will be explained to the judge of the class that at no time do animals win by default because they are the only entry or one of the few entries. It must be the judge's opinion that the animal is a worthy representative of his or her breed. If the judge does not feel there is an animal worthy of first place, then a second and third place premium can be awarded and first place withheld.

There will be a Best In State class. This is a class in which all futurity breed winners will compete for Best In State. (No premiums will be given out for this but an award will be given at the ODGA Conference).

Winners of the futurity shows will be listed in the newsletter and web page of the Ohio Dairy Goat Assoc. An award presentation will be conducted at the association's annual conference awards program or at the annual membership meeting of the Ohio Dairy Goat Assoc. All 1st place animals will be made available for photo upon the request of The Ohio Dairy Goat Assoc. for publicity use. Such photos will remain the property of the Ohio Dairy Goat Assoc. and the Show Futurity Committee.
